

2010 CAPSS Superintendent/Student Awards

Coventry High students Samantha Burke and Kirk Bittner, and Capt. Nathan Hale students Melinda Gosselin and Joseph Stickles, have been awarded the Connecticut Association of Public School Superintendents' (CAPSS) Superintendent/Student Recognition Award for leadership service to the school, academic prowess relative to ability, and service to others in the community. A ceremony was held at RHAM High School on Wednesday, November 17, 2010.

The Superintendent/Student Recognition Program awards a Certificate of Excellence at the discretion of the local superintendent of schools according to a distribution formula set for all state school districts. Awards are generally given during American Education Week in November in order to provide a meaningful focus for each school district and to enhance the quality of the Certificate.

Congratulations to all award recipients!! We are so proud of you!!
