Reports of Suspected Abuse or Neglect of Mentally Retarded Adults

Section 46a-11b of the Connecticut General Statutes requires that certain school personnel (including teachers, school administrators, school guidance counselors, paraprofessionals, psychologists, registered and licensed practical nurses, social workers, licensed or certified substance abuse counselors, mental health professionals, physical therapists, occupational therapists, dental hygienists and speech pathologists) report any suspected abuse or neglect of mentally retarded persons between eighteen (18) and sixty (60) years of age. In furtherance of this statute and its purpose, it is the policy of the Board of Education to require ALL EMPLOYEES of the Board of Education to comply with the following procedures in the event that, in the ordinary course of their employment or profession, they have reasonable cause to suspect that any mentally retarded person between eighteen (18) and sixty (60) years of age has been abused or neglected.

1. Scope of Policy

This policy applies not only to employees who are required by law to report suspected abuse and/or neglect of mentally retarded adults, but also to ALL EMPLOYEES of the Board of Education.

2. Definitions

For the purposes of this policy:

"Abuse" means the willful infliction of physical pain or injury or the willful deprivation by a caretaker of services which are necessary to the person's health or safety.

"Neglect" means a situation where a mentally retarded person either is living alone or is not able to provide for himself or herself the services which are necessary to maintain his or her physical and mental health or is not receiving such necessary services from the caretaker.

"Statutory Mandated Reporter" means an individual required by Conn. Gen. Stat. Section 46a-11b to report suspected abuse and/or neglect of mentally retarded adults. In the public school context, the term "statutory mandated reporter" includes teachers, school administrators, school guidance counselors, paraprofessionals, registered or licensed practical nurses, psychologists, social workers, licensed or certified substance abuse counselors, mental health professionals, physical therapists, occupational therapists, dental hygienists and speech pathologists.

3. Reporting Procedures for Statutory Mandated Reporters

If a statutory mandated reporter has reasonable cause, arising out of, or in the ordinary course of his or her employment or profession, to suspect that any mentally retarded person between eighteen (18) and sixty (60) years of age has been abused or neglected, he/she shall immediately, but in any case within no later than five calendar days, make an oral report to the Director of the Office of Protection and Advocacy for Persons with Disabilities. The statutory mandated reporter shall also immediately notify the Superintendent.

Such oral report shall be followed by a written report to the Director of the Office of Protection and Advocacy for Persons with Disabilities within five additional calendar days, and a copy of any written report shall be given to the Superintendent.

4. Reporting Procedures for Non-Statutory Mandated Reporters

The following procedures apply only to employees who are not statutory mandated reporters, as set forth above.

- a) If an employee who is not a statutory mandated reporter has reasonable cause, arising out of, or in the ordinary course of his or her employment or profession, to suspect that any mentally retarded person between eighteen (18) and sixty (60) years of age has been abused or neglected, the following steps shall be taken.
 - (1) The employee shall immediately, but in any case within no later than five calendar days, make an oral report by telephone or in person to the Superintendent of Schools or his/her designee, to be followed by an immediate written report to the Superintendent or his/her designee.
 - (2) If the Superintendent or his/her designee determines that there is reasonable cause to suspect or believe that a mentally retarded person between eighteen (18) and sixty (60) years has been abused or neglected, he/she shall cause reports to be made in accordance with the procedures set forth for statutory mandated reporters, set forth above.
- b) Nothing in this policy shall be construed to preclude an employee from reporting suspected abuse and/or neglect of mentally retarded adults directly to the Office of Protection and Advocacy for Persons with Disabilities.

5. Contents of Report

Any oral or written report made pursuant to this policy shall contain the following information, if known:

- a) the name and address of the allegedly abused or neglected person;
- b) a statement from the reporter indicating a belief that the person is mentally retarded, together with information indicating that the person is unable to protect himself or herself from abuse or neglect;
- c) information concerning the nature and extent of the abuse or neglect; and,
- d) any additional information which the reporter believes would be helpful in investigating the report or in protecting the mentally retarded person.

6. Investigation of the Report

If the suspected abuser is a school employee, the Superintendent shall thoroughly investigate the report, and shall, to the extent feasible, endeavor to coordinate any

such investigation with the investigation conducted by the Office of Protection and Advocacy for Persons with Disabilities.

The Superintendent's investigation shall include an opportunity for the suspected abuser to be heard with respect to the allegations contained within the report. During the course of an investigation of suspected abuse by a school employee, the Superintendent may suspend the employee with pay or may place the employee on administrative leave with pay, pending the outcome of the investigation.

If the investigation by the Superintendent and/or the Office of Protection and Advocacy produces evidence that a mentally retarded person has been abused by a school employee, the Superintendent and/or the Board, as appropriate, may take disciplinary action, up to and including termination of employment.

7. Delegation of Authority by Superintendent

The Superintendent may appoint a designee for the purposes of receiving and making reports, notifying and receiving notification, or investigating reports pursuant to this policy.

8. Disciplinary Action for Failure to Follow Policy

Any employee who fails to comply with the requirements of this policy shall be subject to discipline, up to and including termination of employment.

9. Non-discrimination Policy

The Board of Education shall not discharge or in any manner discriminate or retaliate against any employee who, in good faith, makes a report pursuant to this policy, or testifies or is about to testify in any proceeding involving abuse or neglect.
