PRESS RELEASE

Date: December 17, 2007

The Capt. Nathan Hale School and Coventry High School were each named recently as beneficiaries of Gerta K. March's trust. A lifelong resident of Coventry, Ms. March cared deeply about students and their education. Gerta's close family ties with her nieces and nephews fostered her commitment to quality learning. Each school is the recipient of \$10,000 to be used for the purchase of equipment for their respective Science Departments. The Capt. Nathan Hale School and Coventry High School look forward to using this opportunity to enhance the development of science inquiry labs which will support the science curriculum.
