PRESS RELEASE

Date: June 19, 2008

This year Kayla Choiniere, Jacob O'Neil, and Kamil Sutkowski from Mrs. Goldsnider's fourth grade class started the GHR school store. The children wrote up their own proposal and presented it to the PTO, who in turn financed the set up costs of the store. Mrs. Kandolin is the supervisor of the store and with her wonderful enthusiasm helps the students as they market, sell, and reorder the merchandise.

The children wanted to give back to the community so one-third of the proceeds are being sent to the Coventry food bank, one-third to the Coventry fuel bank, and one-third to help buy playground equipment.

This experience has taught these very ambitious children valuable math skills as well as community awareness. We are so proud of our Coventry students.
