Coventry Public Schools noted in the UCONN journal
The Connecticut Economy – Winter 2010.

Coventry Public Schools was recently mentioned in *The Connecticut Economy*, a University of Connecticut Department of Economics quarterly review. The article entitled “Getting More From Less – Measuring Efficiency in Connecticut High School Districts,” included Coventry in 21 of 119 districts that have high efficiency scores for the Connecticut Mastery Test (CMT) and the SAT Reasoning Test. The article was co-authored by Dennis Heffley, a professor at the University of Connecticut and Can Bekaroglu, who recently completed his MA in economics at the University of Connecticut.
