Mr. Kendall's Class Strikes Again!

Coventry High School students in Mr. Kendall's Civics class have struck again! They may be a small class but they are mighty in their efforts to improve not only their own community, but the world at large. After raising over five hundred dollars to assist families in their own community during the holidays, they are back out fundraising again. After the traumatic earthquake in Haiti the student's in Mr. Kendall's Civics class started a coin drive during lunch to raise money for those suffering in Haiti. After three weeks of fundraising the students raised four hundred dollars which was sent to the Red Cross. Special recognition should go to Mr. Cesca and the "give back club" for their help with this effort and all the students who used their lunch time to raise these funds one coin at a time.

For further information, or if you have any questions, please call the Coventry High School at 860-742-7346.
