PRESS RELEASE

February 25, 2010

During the month of February the students at the Coventry Grammar School raised \$2,558.25 for the American Heart Association during their annual *Jump Rope for Heart* event. The PTO worked in collaboration with Mrs. Caldwell, the physical education teacher at the Coventry Grammar School, and the Kindergarten through Grade 2 students in their classes as they practiced their jump-roping skills in a variety of fun-filled centers.

Donations were strictly optional, but the heart-pumping, jump-roping skills were part of each invigorating and spirited gym class.

If you have any questions or need further information, please contact the Coventry Grammar School at 860-742-7313.
