“Read Across Coventry Grammar School”

During the month of March the students at Coventry Grammar School celebrated “Read Across America” in a grand way. Throughout the month the students in grades Kindergarten through Grade 2 took the responsibility of recording the books that were read aloud to them in their classrooms. As part of this school-wide initiative the children wrote the book title and author of each book that was read. These titles were then displayed on the bulletin board in our front foyer. An amazing 220 books were read aloud during the month!

What an eager effort to boost our reading and writing skills by one and all!
