***Announcement to be Made during Special Breakfast with Supercow
On Friday, May 27, 2011 at 8:10 a.m.***

Guida's "Supercow" will be on hand during a special breakfast to help unveil the honorary cafeteria name at G. H. Robertson School (GHR) in Coventry.

Surveys were distributed to all of the students in the school to vote on the honorary name and with over 250 completed, the results are in! Principal Troy Hopkins and Kitchen Manager Robin Carlson came up with the honorary name options - "Spike's Café," "Spike's Diner" or "Spike's Place." All of which pay homage to the beloved GHR dragon mascot. In addition to having the cafeteria named after Spike, there will also be a mural done depicting him with animated vegetable characters. This will be one of many murals done throughout the school by Art Teacher Ted Berent.

Along with the cafeteria name options, the survey listed questions about students' favorite lunches and what they would like to see on upcoming menus. The top results for both the favorite lunches as well as the new offerings will also be announced. Additionally, prizes will be awarded to students whose names will be chosen at random from the surveys submitted.

Friday's breakfast menu will include; low fat/low sugar muffins, bagels, low sugar cereal, whole grain cinnamon rolls as well as "grab-and-go breakfast rolls" and pancakes. There will also be a variety of fresh fruit consisting of apples, oranges, grapes, strawberries and melon.
