## **Read Across America Day at Coventry Grammar School**

On March 2, Coventry Grammar School celebrated *Read Across America* day. This national reading event was highlighted in a variety of ways throughout the day. At school-wide assemblies the students, donning their Dr. Seuss hats and their red, white and black attire, listened in awe as eight guest readers shared the student favorite, *Green Eggs and Ham*. Following the reading, the students were led in song by their music teacher, Mr. Jim Careau. The literacy connections continued throughout the day as the students enjoyed green eggs and ham for lunch and worked on a variety of theme related activities in their classrooms that included writing rhyming couplets and poetry.

As a culminating event, the PTO generously funded the second *Dolphin Book* distribution of the year so that every student was able to go home with a new book. The collaboration of the entire CGS staff was truly evident as they worked together to celebrate the importance of reading.

If you have any questions or need further information, please contact the Coventry Grammar School at 860-742-7313.
